

ROOIKAT JAG...

DIE GROOTSTE TIP, THE BIGGEST TIP WHEN CALLING CATS IS.....

BESIDES HUNTING ON DARK NIGHTS WITH NO MOON ETC, ONE OTHER TIP IS KING, **HY IS KONING!**

AND THAT IS.....

WIND!!!

IF YOU HAVE A PROBLEM WITH LYNX / ROOIKATTE THEN REMEMBER THIS AND USE IT, WHEN THE WIND IS BLOWING TYPICALLY A EASTERLY WIND - N OOSTE WIND, GO AND CALL IF THE MOON IS GOOD.

I KEEP RECORDS OF ALL MY HUNTS, AND I TELL YOU THIS, JUST ABOUT ALL THE CATS I CALL SHOW THAT THEY ARE CALLED WHEN THE WIND IS BLOWING SO..... **IT WORKS!**
