

SCOPE MOUNTS

Do you have a flashlight or a laser or some sort of sight that you need to mount on your scope? We are machining 25mm and 30mm mounts for both diameter rifle scopes - ideal for Jakkals Jag Gewere!

Prices are available on request only.

Flashlight mount to a 25mm Rifle Scope TUBE

25mm and 30mm

Depending on the front objective of the scopes, we designed out mounts to clear a 56 diameter; the distance between the two holes will be ample.
