

# CASSIE STEENKAMP / Calvinia “Jakkals Jagter”

*You proceeded to go public and attack us, so I am just replying.....*

We recently had the privilege to get some real smart, arrogant, childish responses to our Facebook page from a troublemaker, who he thinks he is talking to is indeed strange, but maybe that's his true personality coming through..... it is indeed strange that how some people choose to use the SM to get digs, seems he has been chomping at the bit a while to write something as he has an axe to grind.

Time to grow up Cassie, and try to get along, strange these inner circle crowd, who none have met us, but enjoy attacking us, we have an English saying, “EMPTY BARRELS MAKE THE MOST NOISE”.

We also never mentioned we hunt for money, nor do we get paid for hunting at a farmer, BUT he tells us that he hopes our clients are aware of what we are doing ..... And that he hopes my clients see it... My Cassie, you have issues.... **You should stick to your FORUM!**

Strange his inner circle of friends also do what we do, BUT he prefers taking aim at our page, anyway, maybe let's all get along rather than bashing people you don't know! Maybe it was that rugby score that day 57-0 that was what actually peed him off.....

GROW UP CASSIE! Take your axe you want to grind someplace else. It isn't very nice to go on other people's sites and bash them, maybe you should learn to understand English first, I never said I shoot puppies and or I only hunt OCTOBER! **WATCH THE MOVIE AND READ PROPERLY!!!!**

**Feather & Fur Game Calls / Jakkals Roep Produkte** I concentrate on predators as in Jackal from October to June, dont go out in winter as its freezing and isnt worth gettig ill, I target predators from that time so basically 4 months a year I dont worry, and many people also dont call that period either, whatever floats your boat.

**Feather & Fur Game Calls / Jakkals Roep Produkte** Cassie, the reason is simple, your original post speaks volumes, you have an axe to grind, and you know full well about cycles of jackals etc, I suggest take your issues elsewhere, dont make issues out of nothing, we dont need to entertain your comments, this will be my final reply in this regard, taking the original movie way out of context is not acceptable, and your childish comments on this page not valued, grow up.

**Cassie Steenkamp** N jagter wat sy sojt werd is jag heeljaar. En wag nie vir oktober se maklike neste tyd nie. Skiet die teef julie en augustus in -4grade terwyl sy dragtig is. Daai tipe jagter is sy sout werd. Hy jag om die boer te help. Nie om hom self te help. #ggvarminting. #canismesomelas. #taffiemulder

Maybe one day we will meet, shake hands and you will see that I am not such a bad guy after all, after all you have never met me but seem to have an axe to grind... whatever I did to you I would never know....
